
HERTZ #1 CLUB

First Round of Playoffs

As we quickly approach the end of the season. Each playoff game is a NUMBER. The menus for the upcoming playoffs will include the Prime Rib carving station if the game falls on a Friday or Saturday ONLY. Since you are all big fans, I don't need to explain the playoffs to you, but I will keep you in the loop as we move forward. GO BLADES!!!

Playoff Tickets

We want to get you the play off tickets as quickly as possible. Tickets will be available for pick up at the main office April 5th & 6th. As always, the Blades have made it into the first round of the playoffs but WHO we play is the question. Depending on who we play will determine WHEN we play. We will get this information out soon!

Club Appreciation

We had a lot of Club members come and go over the years. We would like you to know how much we care for you all and will miss you as you travel back up to your summer homes. If you will not be joining us again next year, we will miss you tons! If you will be back, we can't wait to see you...and lastly, if you are around all year, we look forward to hosting summer dinners each month with you.

Thank you for being wonderful fans and even better Friends!!
